To all of our valued clients,

We appreciate your business and hope that you find our acceptance of credit cards as a method of payment to be a convenience to you. Our records indicate that we have a credit card on file as a guarantee of payment. We are required to have a signature on file in order to continue to utilize that as a method of payment and to maintain your account in a billable status. Please complete the following information and return it to our office as soon as possible. Without this signature we will be unable to process your payment and the account will be considered a COD account with payment due at the time of service until we do receive written authorization from you. If you wish to keep more than one card on file simply add the information in the additional space with a signature associated with each individual card.

Thank you again for your business and we hope to continue to serve you in the future.
